

DB-6

Detector Base

Features and Benefits

- Used to mount TNA Conventional DET-C631 Smoke and DET-C632 Heat.
- Made of flame-resistance plastic ABS.
- No electrical Circuit.

Technical Specification

Approvals (Refers to Detector)	24VDC (20VDC – 28 VDC)
Material / Colour	ABS/ White Glossy finishing
Dimension / Height	Diameter 99.7 / 15mm
IP Grade	IP30 Indoor Use
Gross Weight	About 55g
Operating Environment	
Temperature	-10°C~+50°C
Relative Humidity	≤95%, non-condensin
